CROFTERS (SCOTLAND) ACT 1993
DIRECTION UNDER SECTIONS 24(3) AND 25(1)(a) OF THE 1993 ACT

CROFT: North Scousburgh
REGISTER NUMBER: Z3056
FORMER PARISH: Dunrossness
ISLANDS AREA: Shetland

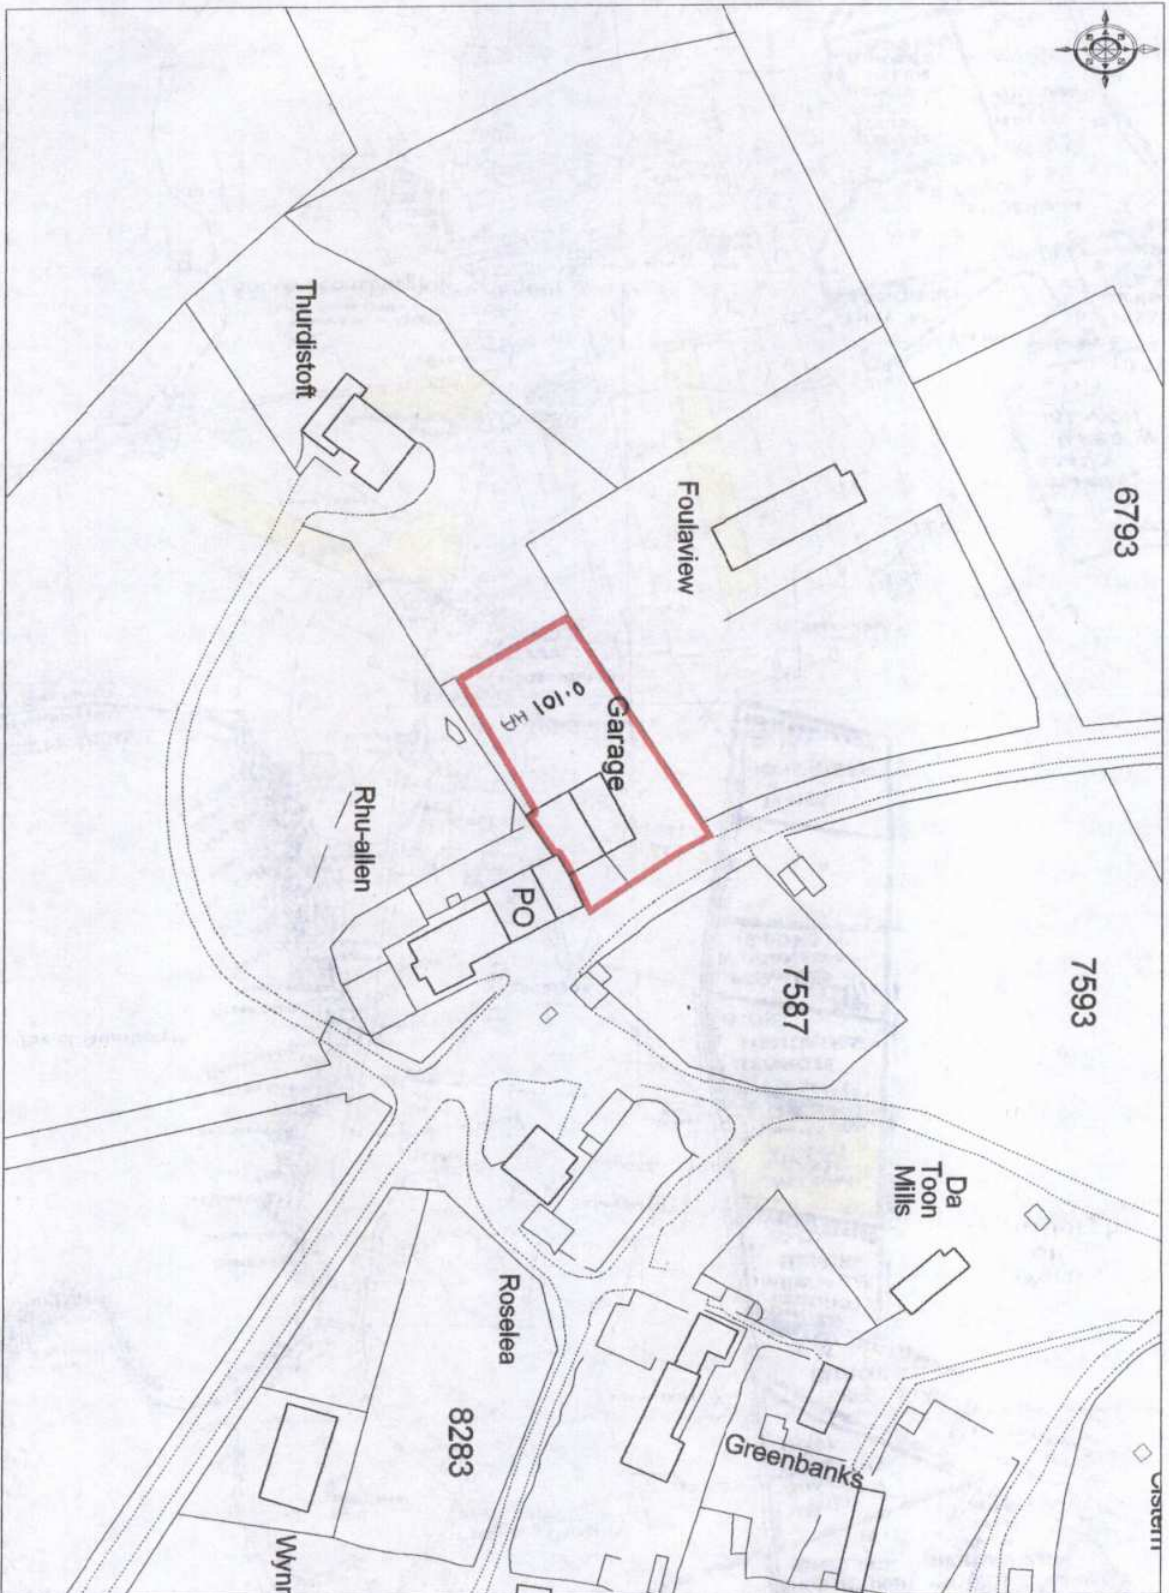

We, the CROFTERS COMMISSION, have considered an application by William Stout for a Direction that part of the above croft, comprising an area of land extending to one hundred and one decimal or one thousandth parts of a hectare (0.101 ha) or thereby, as shown delineated in black and highlighted red on the plan attached, should cease to be part of the above croft. We are satisfied that the purpose to which the land is to be put is a reasonable one and that the extent of the land is not excessive in relation to that purpose. We have had regard to the general interest of the crofting community in which the croft is situated, including the demand, if any, for a tenancy of the land if it were now available for letting on the open market, and do now DIRECT that the said area shall cease to be land to which the Crofters Act applies.

Given under the Seal of the Commission at Inverness this twenty-ninth day of October, Two thousand and four.
