

**CROFTERS (SCOTLAND) ACT 1993**  
**DIRECTION UNDER SECTIONS 24(3) AND 25(1)(a) OF THE 1993 ACT**

CROFT: Brae  
REGISTER NUMBER: Z0097  
FORMER PARISH: Delting  
ISLANDS AREA: Shetland

We, the CROFTERS COMMISSION, have considered an application by Mrs Marabell Agnes Stout for a Direction that part of the above croft, comprising an area of land extending to four hundred and eleven decimal or ten thousandth parts of a hectare (0.0411 ha) or thereby, as shown delineated in black and highlighted red on the plan attached, should cease to be part of the above croft. We are satisfied that the purpose to which the land is to be put is a reasonable one and that the extent of the land is not excessive in relation to that purpose. We have had regard to the general interest of the crofting community in which the croft is situated, including the demand, if any, for a tenancy of the land if it were now available for letting on the open market, and do now DIRECT that the said area shall cease to be land to which the Crofters Act applies.

Given under the Seal of the Commission at Inverness this seventh day of July, Two thousand and five.
